## Scholarship Sponsorship Program

The Michigan Soybean Association (MSA) is seeking agribusiness partners for our new student scholarship program. All MSA members, as well as children of members, between the ages of 17-25 are eligible for this scholarship. Applicants must be enrolled as a full-time student at a post-secondary educational institution during the fall 2021 semester to be eligible. Students are only eligible to win an MSA scholarship one time. Scholarships in the amount of \$2,000 each will be awarded.

MSA is seeking agribusiness partners willing to contribute to this scholarship program. Two sponsorship levels have been established, Silver and Gold. The Silver Sponsorship (\$250) offers recognition, in name only, in the summer issue of the *Michigan Soybean News* magazine, on the MSA website and in all scholarship collateral materials. The Gold Sponsorship (\$500) offers color logo recognition in the summer issue of the *Michigan Soybean News* magazine, on the MSA website and in all scholarship collateral materials.
